

Be my  
Valentine

A black and white illustration of the phrase "Be my Valentine" in a cursive, handwritten style. The text is arranged in two lines: "Be my" on the top line and "Valentine" on the bottom line. The word "Valentine" features a large, elegant flourish that extends from the bottom of the 'V' and loops under the rest of the word. The entire text is surrounded by decorative elements: several small, solid black hearts are scattered around the words, and three stylized leafy branches are positioned at the top, bottom, and right sides. Small black dots are also interspersed among the hearts and leaves.
